Duration - 4 Months
Location - Dhamtari (C.G.)

MASTER BEDROOM

This Master bedroom exudes warmth and sophistication with a palette of soft, warm greys complemented by rich burgundy accents in the fabrics, custom bookshelf and even the wardrobe handles. The curved ceiling adds a graceful architectural touch, enhancing the room's sense of openness and creating a dynamic focal point. The subtle interplay of textures and colors brings depth to the design, while ample space around the bed encourages flow and relaxation. Every detail is thoughtfully curated to create a harmonious, welcoming retreat that balances elegance with comfort, making it an ideal sanctuary for rest and rejuvenation.

PARENT'S BEDROOM

Designed as a serene retreat for parents, this minimalist bedroom combines a sophisticated grey and white backdrop with striking pops of blue for an elegant yet refreshing atmosphere. The carefully selected color palette brings warmth and depth, while simple, clean lines emphasize verticality, enhancing the sense of height and openness in the room. A small planter adds a touch of nature, balancing the structured simplicity with a hint of organic vibrance. Thoughtfully curated decor and restrained textures create a harmonious, tranquil setting that invites relaxation. Subtle lighting highlights key areas, and the uncluttered layout offers a soothing escape—perfect for rest, rejuvenation, and reflection.

KITCHEN

This spacious modular kitchen combines a warm beige and soft brown palette with sleek black handles for a modern, minimalist look. Thoughtfully designed for efficiency, it features ample storage, high-quality finishes, and seamless appliance integration, offering both style and practicality in one elegant space. The clean lines and intuitive layout make it easy to navigate, while the overall design exudes sophistication and warmth.
